

# AGCO ReNew Website Logon Change

## Important!

**If you use AGCO ReNew to return reman cores, please read below carefully. We are changing the way you access AGCO ReNew.**

- Beginning Monday, October 19th dealers must access the AGCO ReNew website through the oneAGCO dealer portal <https://my.oneagco.com> using their oneAGCO username & password.
- **To access AGCO ReNew, follow the directions below:**
  1. Logon to oneAGCO using your personal logon assigned to you. If you don't have a logon, contact your dealership's oneAGCO administrator for help.
  2. Click on the "**PARTS**" tab at the top of the page.
  3. Go to the "**PARTS LINKS**" heading on the page and click on "**Reman**".
  4. Once on the "**Reman**" page, click on the **AGCO ReNew** application. You will be directed to AGCO ReNew and will not need to sign on again. Then work in the application as normal.
  5. Need help? Contact Dealer Support Services at 800-225-6782 English, 888-988-0987 French or [DSS.Support@AGCOcorp.com](mailto:DSS.Support@AGCOcorp.com)
- This change will make it easier for dealers, with a single sign on and also improve security for the site.
- Effective October 19th, you will no longer be able to access [AGCOrenew.com](http://AGCOrenew.com) directly. The home page will include directions on how to access the site.
- AGCO ReNew is AGCO's Reman Core management and accounting website for dealers.

Use the Reman print ads now available through the AGCO Parts eStore and AdBuilder link on the one.AGCO dealer portal to help increase AGCO Reman demand and sales.
